# Diego José García Callejas

Data Science and AI Student

Madrid, Spain | d.j.garciacallejas@gmail.com
linkedin.com/in/diegojosegarciacallejas | github.com/diegojgarciacallejas

## PROFESSIONAL SUMMARY

Fourth-year student of the Bachelor's Degree in Data Science and Artificial Intelligence at Universidad Politécnica de Madrid. Skilled in Python programming, data analysis and processing, and machine learning model development, using tools such as Pandas, NumPy and Scikit-learn.

## PROJECTS

**Car Market Web Scraping Analysis**

*Technologies: Python, Selenium, Pandas, Matplotlib, Seaborn*

- Web scraping of car listings across 4 European markets.
- Data cleaning, comparative analysis and visualization of prices, mileage and year.

**MLB Pitch Type Classification**

*Technologies: Python, Scikit-learn, Pandas, Jupyter*

- Supervised classification of pitch types using Statcast data.
- Comparison of KNN, Logistic Regression, Decision Tree and SVM (accuracy: 0.76).

**Sociodemographic Clustering Analysis**

*Technologies: Python, Scikit-learn, SciPy, Pandas, Jupyter*

- Unsupervised analysis of sociodemographic variables.
- Comparison of clustering algorithms (KMeans, Hierarchical, DBSCAN, GMM) and selection of the best model.

## WORK EXPERIENCE

**Tennis Camp Instructor** Summer 2022

*Club de Tenis y Pádel de Navalmoral de la Mata*

- Responsible for a group of approximately 10 children aged 7 to 9, delivering tennis instruction on one of the five courts of a summer camp with around 60 participants.
- Organized and supervised the group's sports activities throughout the camp.
- Skills developed: communication, leadership, organization, responsibility and working with children.

## EDUCATION

**Bachelor's Degree in Data Science and AI** 2023 – Present

*Universidad Politécnica de Madrid*

**Technological Baccalaureate** 2023

*IES Augustóbriga*

## CERTIFICATIONS

**GitHub Foundations Certification, GitHub** 2025

## SKILLS AND LANGUAGES

**Technical:** Python, SQL, Pandas, NumPy, Scikit-learn, Machine Learning, Data Analysis

**Soft skills:** Analytical thinking, Problem-solving, Teamwork, Communication, Adaptability

**Languages:** Spanish (native), English (B2)

## ADDITIONAL INFORMATION

**University Hall Resident** 3 years

*Colegio Mayor Marqués de la Ensenada*

- Took part in sports groups (padel, football, table tennis) and helped with sports activities.
- Developed communication, organization and interpersonal skills while living with other students.

**Driving license:** Type B
